## **COMMUNITY STAKEHOLDERS' GROUP MEMBER**

### **APPLICATION FOR APPOINTMENT**

Chase & Chalke is a Landscape Partnership Scheme for local residents, communities, businesses, farmers, visitors and agencies to work together to share, understand and appreciate the unique natural, historic and cultural landscape of the heart of the ancient royal hunting forest, known as Cranborne Chase and the adjoining Chalke Valley to the north east. As a member of the Community Stakeholder Group you will be contributing to its future conservation and enhancement through the involvement, engagement and enjoyment of the many communities of the area and beyond. The Landscape Partnership is supported by the National Lottery through the Heritage Lottery Fund.

Through the delivery of twenty projects our desire is to build stronger community connections with the landscape with lasting positive outcomes for our communities, partners and the landscape.

The main aims of the Scheme are to:

- conserve, enhance or restore its wealth of habitats and wildlife;
- promote engagement with, and enjoyment of, its historic origins and unique importance as a heritage asset;
- improve access to, and understanding of, the cultural heritage for the future, and;
- develop and share the skills required to look after it for future generations

The Community Stakeholders' Group is an important part of this, including representation on the Landscape Partnership Board. The Group advises the Chase & Chalke Landscape Partnership Board of the views of the local communities and a variety of user groups in the delivery of the Landscape Partnership Scheme until the end of 2024.

The Community Stakeholders' Group is administered by Wiltshire Council as the Lead Partner for the Chase & Chalke LP Scheme.
